**Summary of Legislation:** (Amended) This bill has the following provisions:

- A. *Automated Record Keeping Fee* – It provides that in all civil, criminal, infraction, and ordinance violation actions, the clerk of the court shall collect an automated record keeping fee in the following amounts: (1) \$7 before July 1, 2011; (2) \$6 after June 30, 2011, and before July 1, 2013; (3) \$4 after June 30, 2013.
- B. *Public Defense Administration Fee* – It provides that in all civil actions, the clerk of the court shall collect the public defense administration fee in the following amounts: (1) \$3 before July 1, 2011; and (2) \$5 after June 30, 2011. It increases the semiannual amount that the Auditor of State transfers for deposit into the Public Defense Fund from \$2,700,000 to \$3,700,000 beginning July 1, 2011.

(The introduced version of this bill was prepared by the Commission on Courts.)

**Effective Date:** July 1, 2011.

**Explanation of State Expenditures:**

**Explanation of State Revenues:** (Revised) *Automated Record Keeping Fee* – The following table projects the new revenue that would be collected from increasing the fee from \$4, its level in current statute beginning after June 30, 2011. Under current law, the Automated Record Keeping Fee will decrease from the current \$7 to \$4 beginning July 1, 2011. This bill will reduce the fee from the current \$7 to \$6 effective July 1, 2011.

The following table shows the new revenues for FY 2012 and FY 2013, when the fee would be increased to \$6 instead of \$4. For these next two fiscal years (FY 2012 and FY 2013) the new revenue is projected to be

\$4.14 M.

New Revenue in \$Millions Deposited into State User Fee Fund						
	<u>2012</u>	<u>2013</u>	<u>2014</u>	<u>2015</u>	<u>2016</u>	<u>2017</u>
Fee under Current Law	\$4.00	\$4.00	\$4.00	\$4.00	\$4.00	\$4.00
Proposed Fee	\$6.00	\$6.00	\$4.00	\$4.00	\$4.00	\$4.00
<b>New Revenue (in \$M)</b>	<b>\$2.07</b>	<b>\$2.07</b>	<b>\$0.00</b>	<b>\$0.00</b>	<b>\$0.00</b>	<b>\$0.00</b>
Notes: Projected Revenue from each \$1 change equaling about \$1.034 M (see following table).						

The new revenue shown in the table above would be deposited into two different funds:

- When an accused person agrees to enter into a pretrial diversion program (IC 33-19-1-8) or a pretrial deferral program (IC 34-28-5-1), the money from the Automated Record Keeping Fee is deposited into the Homeowners Protection Unit Account established by IC 4-6-12-9.
- For all other civil, criminal, or other cases, the fee is deposited into the State User Fee Fund and a portion is ultimately deposited in the Judicial Technology and Automation Project.

(Revised) *Public Defense Administration Fee* – The current fee for the Public Defense Administration Fee is \$3. This bill increases the fee to \$5. This fee increase is estimated to increase the revenue that is deposited into the state General Fund by \$2 M. Twice a year, an additional \$1 M will be transferred from the state General Fund to the Public Defense Fund.

The Public Defense Fund reimburses counties for providing legal assistance to indigent defendants. In criminal cases. The fund is administered by the Division of State Court Administration of the Supreme Court.

*Background Information* – The revenue generated from the Automated Record Keeping Fee is deposited in the State User Fee Fund along with revenue from six other fees. On June 30<sup>th</sup> and December 31<sup>st</sup> of each year, \$1,288,000 is deposited into eight funds. Any remaining balance is deposited into the Judicial Technology Automation Project Fund. The added revenue from this bill would ultimately increase funding for the Judicial Technology Automation Project, which is administered by the Indiana Supreme Court. With no change in statute, the Automated Record Keeping Fee would decline from the current \$7 to \$4 and the fund would receive an estimated \$3.3 M less each year from its current levels.

The estimated revenue per dollar (\$1,037,988) is based on the revenue collected from the automated record keeping fee that is reported in the Auditor's Data Base.
